Re: Chesapeake College – Incident Notification

Dear Sir or Madam:

McDonald Hopkins PLC represents Chesapeake College. I am writing to provide notification of an incident at Chesapeake College that may affect the security of personal information of approximately five hundred sixty-eight (568) Maryland residents. Chesapeake College's investigation is ongoing, and this notification will be supplemented with any new or significant facts or findings subsequent to this submission, if any. By providing this notice, Chesapeake College does not waive any rights or defenses regarding the applicability of Maryland law or personal jurisdiction.

Chesapeake College recently learned that on June 28, 2019, a Chesapeake College laptop was stolen, which may have resulted in unauthorized access to a limited amount of personal information. Upon learning of the issue, Chesapeake College commenced a prompt and thorough investigation. As part of its investigation, Chesapeake College worked very closely with external data privacy professionals. After an extensive forensic investigation and manual document review, Chesapeake College discovered on September 3, 2019 that the laptop contained some personal information, including the affected residents' full names and one or more of the following: Social Security number, driver's license number, medical treatment information, and/or medical diagnostic information. Not all of the affected residents had their Social Security numbers impacted by this incident.

To date, Chesapeake College has no evidence that any of the information has been misused. Nevertheless, out of an abundance of caution, Chesapeake College wanted to inform you (and the affected residents) of the incident and to explain the steps that it will be taking to help safeguard the affected residents against identity fraud. Chesapeake College will provide the affected residents with written notification of this incident commencing on or about October 7, 2019, in substantially the same form as the letter attached hereto. Chesapeake College will offer the affected residents whose Social Security numbers and/or driver's license numbers were impacted complimentary one-year memberships with a credit monitoring service. 2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 12 month credit monitoring services, we recommend that you place an initial one (1) year "Fraud Alert" on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax

P.O. Box 105069
Atlanta, GA 30348
www.equifax.com
1-800-525-6285

Experian

P.O. Box 2002
Allen, TX 75013
www.experian.com
1-888-397-3742

TransUnion LLC

P.O. Box 2000
Chester, PA 19016
www.transunion.com
1-800-680-7289

3. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

P.O. Box 105788
Atlanta, GA 30348
<https://www.freeze.equifax.com>
1-800-349-9960

Experian Security Freeze

P.O. Box 9554
Allen, TX 75013
<http://experian.com/freeze>
1-888-397-3742

TransUnion Security Freeze

P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.
